Kailah Korsh (KAY / luh)

An organized, detail-oriented, and investigative software engineer with experience working in a fast-paced startup environment and collaborating cross-functionally. Specializes in the MERN-stack (React, Node.js, Express.js, MongoDB), AWS, and Agile development.

EDUCATION

General Assembly, Remote/Los Angeles — *Software Engineering Immersive* | SEP 2022 - DEC 2022

University of California, Santa Barbara — *BA Sociology, minor Music Theory* | SEP 2015 - JUN 2019
Graduated from the Honors Program with Highest Honors | Awarded for Exceptional Contribution to Campus Culture

EXPERIENCE

General Assembly, Remote — *Full Stack Software Engineer, Apprentice* | SEP 2022 - DEC 2022
- **Bucket Lister**: Inspires users to get out and do activities by helping them brainstorm and keep track of their best bucket list ideas. A MERN-stack CRUD app that consumes external API.
  - React framework, JavaScript, Express.js, Node.js, MongoDB, HTML, CSS, deployed on Heroku.
- **Get Together**: Helps users connect to their community by giving them a platform to find and organize convenient, affordable events. A Full Stack, full CRUD web application.
  - Django, Python, HTML, CSS, and DTL, deployed on Heroku.
  - Created in collaboration with two other developers. Used mob programming
- **Pickleball LA**: A place for users to view, review, and reserve Pickleball courts in Los Angeles. Full Stack, full CRUD web application.
  - Node.js, Express.js, MongoDB, deployed on Heroku
- **Album Collector**: Allows users to keep track of their favorite albums by organizing them into color coded lists, adding artwork, and recording when they listen. A Full Stack CRUD web app
  - Django, Python, HTML, CSS, and DTL, deployed on Heroku.
- **Minesweeper**, **More Than Friends**, **Sudoku**: Browser-based games with clean, user-friendly aesthetics.
  - JavaScript, HTML, CSS, deployed on GitHub Pages.

PLUS Capital, Los Angeles — *Platform Team and Executive Assistant* | MAR 2021 - AUG 2022
- Collaborated cross-functionally to refine and lead the process of matching celebrity clients to startup companies for potential partnerships based on extensive research, market analysis, and client interface.
- Spearheaded various projects such as hiring interns, implementing diversity, equity, & inclusion initiatives, coordinating team bonding events, implementing employee progress reviews, and more.
- Strongly influenced and helped craft the company narrative. Ran all social media accounts, researched and consulted before client and/or employee interviews, and contributed to investor materials.
- Helped track active deals to ensure timely execution of deliverables by clients.

Full Stop Management, Los Angeles — *Executive Assistant* | NOV 2019 - DEC 2020
- Worked on the management teams of Harry Styles, Nicki Minaj, Ava Max, & Meghan Trainor.
- Assisted three executives and 5+ artists. Coordinated schedules and vetted artist/client opportunities.

AS Program Board, Santa Barbara — *Special Events Coordinator* | MAY 2016 - JUN 2019
- Lead talent buying efforts for all major events/concerts. Coordinated a music festival for 10k+ attendees.
