## PROJECTS

**Hackathon** — Theme: AI for Good | JUL 10 - JUL 16 2023
- **ALLY**: A full stack web app for tracking personal relationships using OpenAI's Chat Completions API.
  - React, JavaScript, Express.js, Node.js, OpenAI, MongoDB, Railway, Render (server hosting).
  - Role: Project Manager, Coded OpenAI API Integration, CRUD functionality, and React Frontend.

**General Assembly**
- **Bucket Lister**:  A full stack web application that inspires users to do activities by helping them brainstorm and keep track of their best bucket list ideas. Has full CRUD functionality and consumes an external API.
  - React, JavaScript, Express.js, Node.js, MongoDB, HTML, CSS, deployed on Heroku.
- **Get Together**:  A full stack web application for finding and organizing events. Created in collaboration.
  - Django, Python, AWS, Materialize CSS, HTML, CSS, DTL, deployed on Heroku.
- **Pickleball LA**:  A full stack web application where users can review and reserve Pickleball courts in LA.
  - Node.js, Express.js, MongoDB, JavaScript, CSS, HTML, Google Oauth, deployed on Heroku
- **Album Collector**:  A full stack web application for tracking favorite albums.
  - Django, Python, AWS, Materialize CSS, HTML, CSS, DTL, deployed on Heroku.
- **Minesweeper** | **More Than Friends** | **Sudoku**: Browser-based games built with JavaScript, HTML, & CSS.

## EXPERIENCE

**Freelance Web Developer,** Remote — *Full Stack Web Developer* | JAN 2023 - PRESENT
- **Luckeyou**:  Working on a new (pre-launch) version of the website. Coordinates with the founder/CEO.
- **WAI**:  Updates the website and affiliate links to meet the organization's needs and improve usability.
- **Bea's Portfolio**:  Designed and built a sleek, informative portfolio website for typographer Bea Korsh.

**PLUS Capital,** Los Angeles — *Platform Team and Executive Assistant* | MAR 2021 - AUG 2022
- Refined and led the process of matching celebrity clients to startup companies for potential partnerships based on extensive research, market analysis, and client interface.
- Strongly influenced and helped craft the company narrative. Ran all social media accounts, researched and consulted before client and/or employee interviews, and contributed to investor materials.

**Full Stop Management,** Los Angeles — *Executive Assistant* | NOV 2019 - DEC 2020
- Worked on the management teams of Harry Styles, Nicki Minaj, Ava Max, & Meghan Trainor.
